Shrine Mont Camps Are a GO!

Announcing 2021 Camp Dates

Shrine Mont Camps is excited to offer both in-person and online camp experiences this Summer. Camp leaders have been hard at work for many months, consulting with medical professionals and other camps professionals across the country to design camps that will be fun and safe for all. And, building on the success of last summer, Shrine Mont Camps will again offer "*Light in the Valley*", an online camp where campers can make friends, play and worship together from home.

Registration opened **March 23**. You can [check out camp dates](#) at this time. SMC is also asking camper families to provide feedback via a [survey](#), which will help inform ongoing plans and preparations for the 2021 summer camps.

COVID VACCINE UPDATE

You may be eligible to receive the COVID vaccination now under Phase 1A, 1B, & 1C. Your eligibility would be because of your age or an underlying medical condition which puts you at a higher risk for COVID 19.

On April 18, VA will move to Phase 2. This means anyone 16 and older who lives and works in Virginia will be eligible for the vaccine. Some communities will make the transition to Phase 2 sooner than others.

To find out more information and how to register, click the link below.

The website's FAQs provide a wealth of information about the vaccine and its safety and development.

Prayer of the Day

Almighty God, with joy we celebrate the day of our Lord's resurrection. By the grace of Christ among us, enable us to show the power of the resurrection in all that we say and do, through Jesus Christ, our Savior and Lord, who lives and reigns with you and the Holy Spirit, one God, now and forever.
